

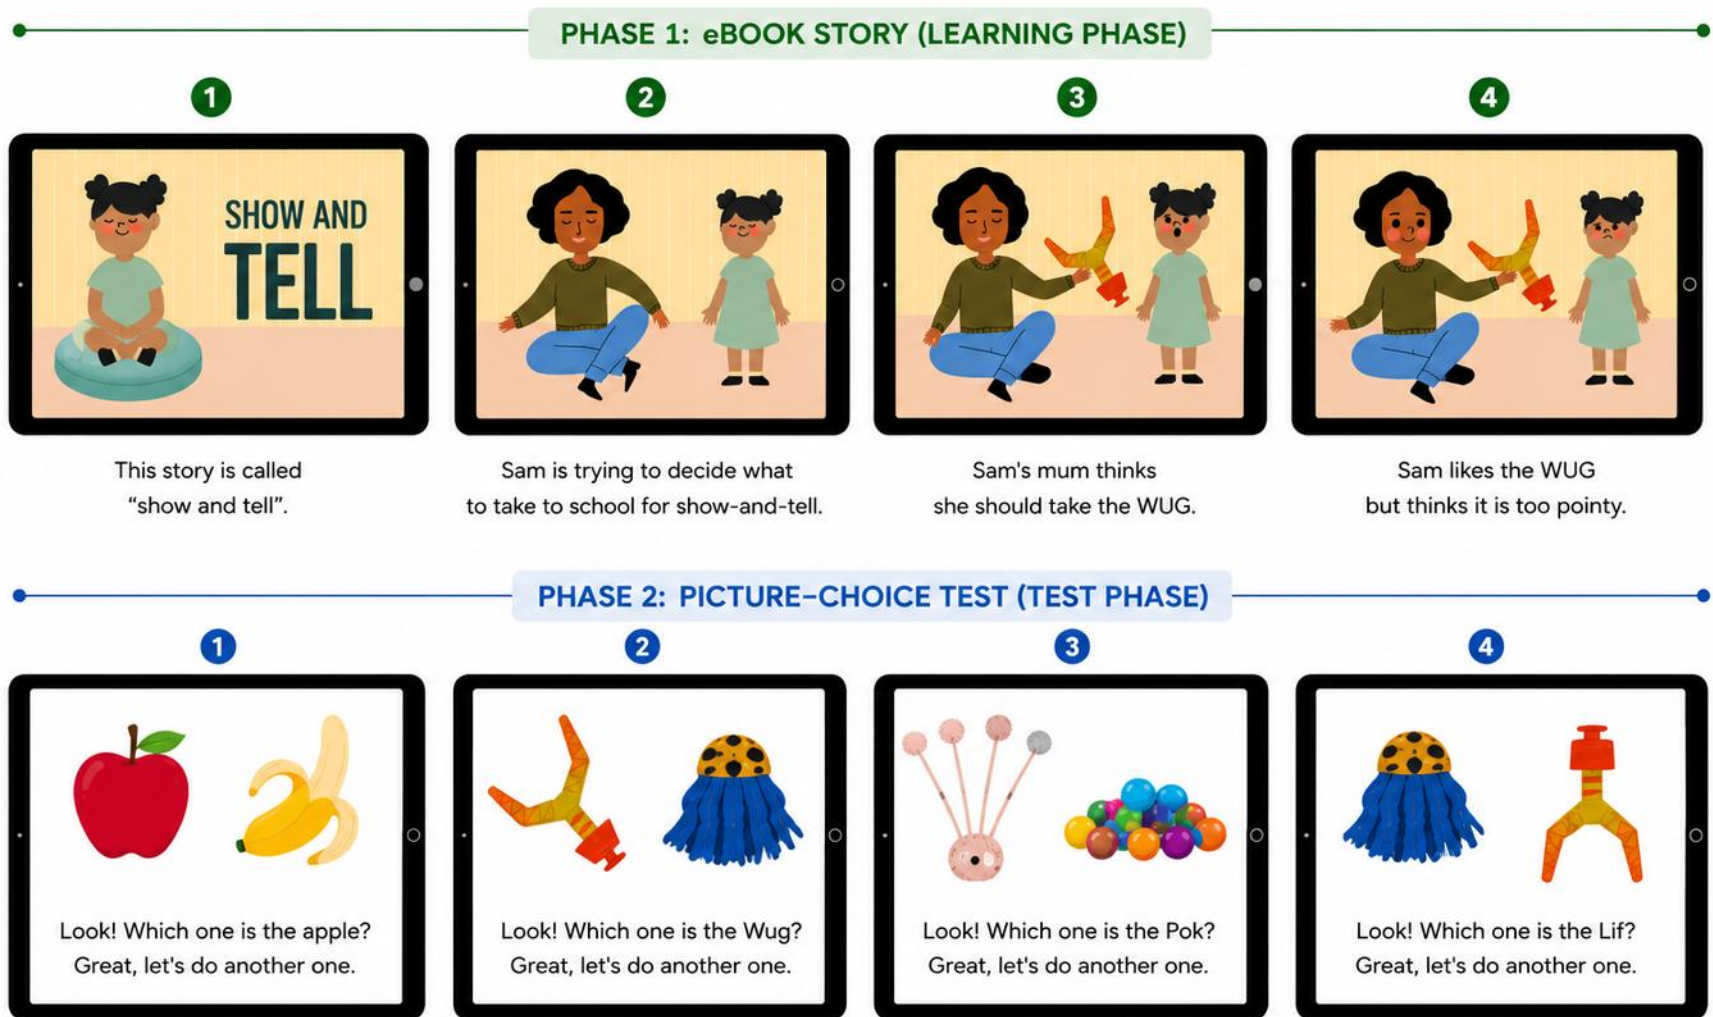

Figure 3

Example Pages From the eBook Learning Phase and the Picture-Choice Test

Note. Top row: example pages from Phase 1, the eBook story (learning phase), in which the robot narrates the “Show and Tell” storybook and the novel words are introduced. Bottom row: example trials from Phase 2, the two-alternative picture-choice test (test phase), in which the child selects the named referent (a familiar training word and the novel words). Image generated by Imagine 2 Illustrate (GPT).
